

Shree Raaja Rajan CBSE School students achieve success in Junior IAS exam

Shree Raaja Rajan School, located near Karaikudi in Sivagangai district, has been providing training to students from 1st to 9th standard every year for the Junior IAS exam. The training aims to develop students' general knowledge, logical thinking, and analytical skills, and create interest in competitive exams like IAS/UPSC from an early age.

The training also focuses on creating awareness about the country's politics, administrative structure, and social responsibility, and improving students' self-confidence, leadership qualities, and time management skills.

Special features of the training include:

- Simple and understandable questions for school students**
- MCQ (Multiple Choice Questions) format**
- Covers general knowledge, current events, Indian politics, geography, and history**
- Questions are designed to reduce exam fear and encourage critical thinking**
- Students are motivated with prizes and certificates**

The exam was held in December, and students Leve Hogan (9th standard), Siddharth, and Sabarishwaran (6th standard) secured 1st, 2nd, and 3rd places, respectively, and have qualified for the second round.

The school's chairman, Dr. Subbiah, former Vice-Chancellor of Alagappa University, congratulated the students, along with the school's principal, Me. Vadivammal, and trainer, A. Punitha Kanimozhi, and other teachers.
